WORK EXPERIENCE

Web Developer & IT Trainer

Ali Digital Frontier & IT Academy

Swabi, Pakistan

12/2024 – 07/2025

- Mentored and trained students in HTML, CSS, JavaScript, and React.js, enabling them to build dynamic, responsive web applications.
- Developed secure back-end services using Node.js, Express.js, and MySQL (Sequelize ORM), ensuring scalability and efficiency in applications.
- Executed modern UI/UX design with Tailwind CSS, Prioritizing both performance and accessibility.
- Facilitated hands-on training through industry-relevant projects, equipping students for real-world web development challenges.
- Instructed students in contemporary web technologies (HTML, CSS, JavaScript, React.js, Node.js, Express.js, MySQL, Tailwind CSS) alongside core programming skills (C, C++, and Data Structures), providing project-based learning opportunities for practical development experience.

MERN Stack Developer

CORVIT System Peshawar

Peshawar

08/2024 – 11/2024

- Completed a trainee internship at Corvit System Peshawar with a focus on MERN stack development.
- Acquired hands-on experience in constructing dynamic and responsive web applications.
- Refined skills in full-stack development utilizing MongoDB, Express.js, React.js, and Node.js.
- Elevated practical skills and professional growth by engaging in real-world project exposure.

CCNA Networking

CECOS University Peshawar

Peshawar, Pakistan

08/2025 – 09/2025

- Completed a hands-on CCNA workshop covering core networking fundamentals.
- Worked on routing, switching, IP addressing, and subnetting through practical exercises.
- Gained experience in network configuration, protocols, and troubleshooting.
- Built a strong foundation in Cisco networking concepts and practices.

EDUCATION

Bachelor of Science - Software Engineering

CECOS University
Peshawar, Pakistan

10/2021 – 07/2025

• CGPA: 2.8 / 4.0

SKILLS

C	C++	JavaScript
Python	React.js	Node.js
Express.js	Redux	Context API
React Query	REST APIs	Web Sockets
JWT Authentication	MySQL	Sequelize ORM
Git	GitHub	Visual Studio Code
Postman	NPM	Cisco Packet Tracer
Tailwind CSS	Bootstrap	Responsive Design
Component-Based UI	Clean Architecture	MS Office (Google Sheets)
Networking	MVC
